FESTIVAL FORTNIGHT 2019

SCOTLAND'S LGBTI SPORTS FESTIVAL!

17-30 JUNE 2019

WITH A FANTASTIC SELECTION – FROM CYCLING TO CIRCUS SKILLS, AND SWIMMING TO SQUASH – THERE REALLY IS SOMETHING FOR EVERYONE. IT'S TIME TO TAKE A LEAP INTO SCOTLAND'S ONLY LGBTI SPORTS FESTIVAL!

WWW.FESTIVALFORTNIGHT.ORG

**FESTIVAL
FORTNIGHT**

FESTIVAL FORTNIGHT

Welcome to LEAP Sports Scotland's Festival Fortnight 2019. Before you lies a unique fourteen-day celebration; a combination of sporting, cultural, academic, social, and recreational events throughout Scotland.

Festival Fortnight breaks down the structural, social, and individual barriers which prevent lesbian, gay, bisexual, transgender, and intersex (LGBTI) people from accessing, participating, and excelling in Scottish sport.

It exists to dismantle stereotypes, build up new positive experiences, and challenge the persistent perception that sport is not a place for LGBTI people. The festival endeavours to highlight and celebrate LGBTI sport, people, and identity. We do this by ensuring festival events meet one of four aims:

1. To increase the visibility of LGBTI people in sport
2. To increase the participation of LGBTI people in sport
3. To raise awareness of LGBTI issues in sport
4. To raise awareness of wider equality and human rights issues in sport

Take a peek inside to discover the exciting events LEAP, sports groups, and partner organisations have been preparing for you. We are delighted to offer more events than ever before, including a selection of beginner-friendly tournaments for you to enjoy. Don't forget to keep an eye on the website (festivalfortnight.org) for updates or other events which may be added at a later date.

You can also follow us on Twitter (@LEAPsports) or Facebook (facebook.com/leapsports.org), where some of our events are also listed.

If you are going to post or tweet photos, please use [#DiverseSport](#) or [#FestivalFortnight](#). We'll be collecting highlights from throughout the festival and would love to share your moments.

This is your invitation to come play, explore, and celebrate. So if you'd like to get involved, game for trying something new, or just fancy coming along to hear more, jump to it and sign up to an event now. If you would like to get involved but need more support, get in touch at info@leapsports.org

As Scotland's LGBTI sports charity, we believe that sport and all the benefits it brings should be for everyone, and we are dedicated to making Scotland a proud leader in the ongoing campaign to recognise and celebrate diversity in sport.

Through our core sports development work, events such as Festival Fortnight, Pride House, and Pride Youth Games, and our partnerships with Scottish and international sports organisations, we work towards making these aims a reality every day.

VOLUNTEERING

Would you like to get involved in our work? Why not join LEAP's team of award-winning volunteers? From digital design and social media to events support, fundraising, policy & campaigns, there are endless opportunities. We have always endeavoured to involve more people within volunteering in sport, and we'd be happy to support you. Please visit leapsports.org/support-us/volunteer or get in touch with us by emailing anghi@leapsports.org to find out more.

Nothing in the programme for your local area? We invite you to apply for a workshop in comics with Jem Milton. Take a look at the session outline below. If your local LGBTI community, sports, or youth group would be interested in hosting this workshop, please get in touch at info@leapsports.org

SHOW YOUR SPORTS STORY : a workshop in comics with Jem Milton

A Live Literature funded event, Jem Milton (they/he) takes you through the world of comics and visual storytelling in this session, where you will look at how images can communicate feelings and capture memories, simple drawing and picture creation techniques, and how to put these together into a comic that tells your story. Jem, a transmasculine artist who uses running, yoga and strength training to connect with their body, will supply some prompts to help focus these stories around participants' experiences with sports, and explore ways to communicate how sports, physical activity, and being part of a team can be valuable to LGBTQ+ people.
